# NEWS OF PAST EVENTS

## Photographer Visit

Mike our regular photographer visited Clevedon in September and Weston in November, and once again produced fantastic results from even the most reluctant models!! Thanks once again to Mike who also gives a generous donation to Springboard from the sales of photos.

## Springboard Fashion Show October 2010

As you all know there is a long lead up to this event! But it all paid off. The models had practiced, the clothes had been chosen, their hair had been done and they all took to the catwalk. We cannot thank the models enough they did a fantastic job, not only did they give up hours of their time but they looked gorgeous on the night. Broad Street Hair Group also put on a great show, although I'm not sure how many of us will be going in for a perm in 2011. We would like also to take this opportunity to thank all the staff at Cadbury who donated their facilities to us once again. Thanks must also go to New Look, Weston-Super-Mare, Wallis of The Mall, Cribbs Causeway, and French Connection of Bristol. The event raised just over £3,100.00.

We are also very fortunate in the fact that other people take part in various events on behalf of Springboard. Sarah Calaghan organised a Disco for us and raised £485.00. Ian Sparrow and Steve Rosser took part in a cycle race called the Exmoor Beast to raise funds. Coleridge Vale Masons recently held a skittles night for us and raised £221.00! These are just a few examples of how people can support Springboard, it is not possible to note them all here, but we appreciate and value them all. If you can think of a way you may be able to help us - please speak to Yvonne at Clevedon.

Last but not least—thanks for reading this and for all your hard work and support, without which we could not continue to raise the funds required. Hope to see you at the next meeting - we always need new members. Have a **HAPPY CHRISTMAS!!**
