Springboard Opportunity Group welcomes children with any type of additional need from birth to 5 years and their families living in the North Somerset area.

Our work with children and families and professionals will bring us into contact with confidential information. - Staff and volunteers will not discuss individual children, other than for purposes of planning and management, with people other than parents/carers of that child.
- The need for confidentiality never overrides the requirement to disclose any safeguarding concerns

- No contact will be made with other agencies to gather information about a child or family without the required permissions.
- Issues to do with the employment of staff, whether paid or unpaid, will remain confidential to the people directly involved with making personnel decisions.
- Any anxieties /evidence relating to a child's personal safety will be kept in a confidential file and will only be shared with those as deemed necessary, as stated in the safeguarding policy.
